

# It's Possible, Everyone Can Work!

People with disabilities are working in communities across British Columbia. The Employment Roundtable of the Tri-Cities is sharing the message that individuals with developmental disabilities can be successfully employed.

We start the job-seeking process by focusing on people's abilities and finding the best job match to provide value for the employer.

We believe that everyone has something to contribute to the economic community as a worker, consumer, and taxpayer. Join us in increasing employment for people with varying abilities.

**Be an inclusive employer - it makes good business sense!**

For more information contact any member of the Employment Roundtable.
